From The Board of Masjid Nur Inc. the Islamic Center of St. Thomas, USVI. The purpose of this letter is to inform you of the specific daily attire for Muslim Women. In this religion, Al- Islam, women must conform to the tenants and cover their heads and body daily as prescribed in our Holy Book, The Holy Qur'an. This attire is usually black, but can be other colors. The hands and feet may be shown, but no other part of her body form should be visible. This is the daily attire for all Muslim women.

Thank you, in advance for your consideration given in behalf of this letter. It is also the law that women should be allowed to practice their religion freely in the United States of America, where freedom of religion is guaranteed in the U.S. Constitution.

Respectfully Submitted,

Board President
